

UNIVERSITY OF NEBRASKA

UNL: 25 000 000

UNO: 0 000 000

UNK: 8 000 000

UN@: 2 000 000

UNB: 1 000 000

TOTAL: 43 000 000

Q: Why are the percentage cuts different by campus? Why does UNL have the largest percentage cut?

A: The percentage cuts are different by campus because of the different needs of each campus. UNL has the largest percentage cut because it has the largest enrollment and the highest cost of operation.

Q: What will the campuses cut?

A: The campuses will cut in various areas including faculty salaries, administrative expenses, and student services.

Q: Will people lose their jobs?

A: It is possible that some people will lose their jobs, but the university is committed to minimizing the impact on its employees.

Q: Why isn't NCTA taking a cut?

A:

Q: What are your enrollment projections for the fall? (continued)

A: We are projecting a 1% increase in enrollment for the fall. This is based on our current enrollment trends and the fact that we are seeing a steady increase in applications. We are also seeing a decline in tuition revenue, which is due to a number of factors, including the fact that we are seeing a decline in the number of students who are enrolling in our most expensive programs. This is a result of our efforts to make our programs more affordable and accessible to a wider range of students. We are also seeing a decline in tuition revenue due to the fact that we are seeing a decline in the number of students who are enrolling in our most expensive programs. This is a result of our efforts to make our programs more affordable and accessible to a wider range of students.

Q: You say your application numbers are up, yet you're projecting a decline in tuition revenue. How

Q: How much are you expecting to save from the voluntary FTE reduction program?

A: None Less than \$100,000 \$100,000 - \$250,000 \$250,000 - \$500,000 \$500,000 - \$750,000 \$750,000 - \$1,000,000 More than \$1,000,000

Q: Where do auxiliary units fit into the budget and what are your estimated losses for those areas?

A: /  \$30
